Shipping in advance.

You are welcome to ship materials ahead of the conference. Please address them to:

Claudia Fairley

Once your shipment is on its way, email contact@aalb.org with an inventory of what you sent and the email address we should notify when your package arrives.

Arrival and setup.

Before you travel, text Adriana at **773-573-0678** with your expected arrival time. She will arrange for someone to meet you, walk you through hospital registration and security, and bring you up to the conference area. Once you are upstairs, we will introduce you to the volunteer in charge of exhibitors, who is your point of contact for anything you need during the event.

- **Friday, August 14:** 4:30 to 8:00 PM.
- **Saturday, August 15:** 7:00 to 8:00 AM, fully set up by 8:45 AM.
- **After 8:45 AM on Saturday, nothing may be moved in or around the space** — no boxes, carts, or heavy items. This is for safety and to allow attendee registration to run smoothly.

The drop-off and pick-up area will serve for loading and unloading. If you have heavy items and need help carrying them upstairs, mention it to Adriana before you arrive so we can coordinate.

Your table.

- Tables are assigned in advance and cannot be changed. Your organization's name will be on your table when you arrive.
- Bring a power strip or multi-outlet adapter as well if you plan to connect more than one item.
- We can provide duct tape to secure your cord to the floor.
- Your package includes one complimentary registration. Additional attendees register separately, and are welcome to register on site the day of the event.

Teardown.

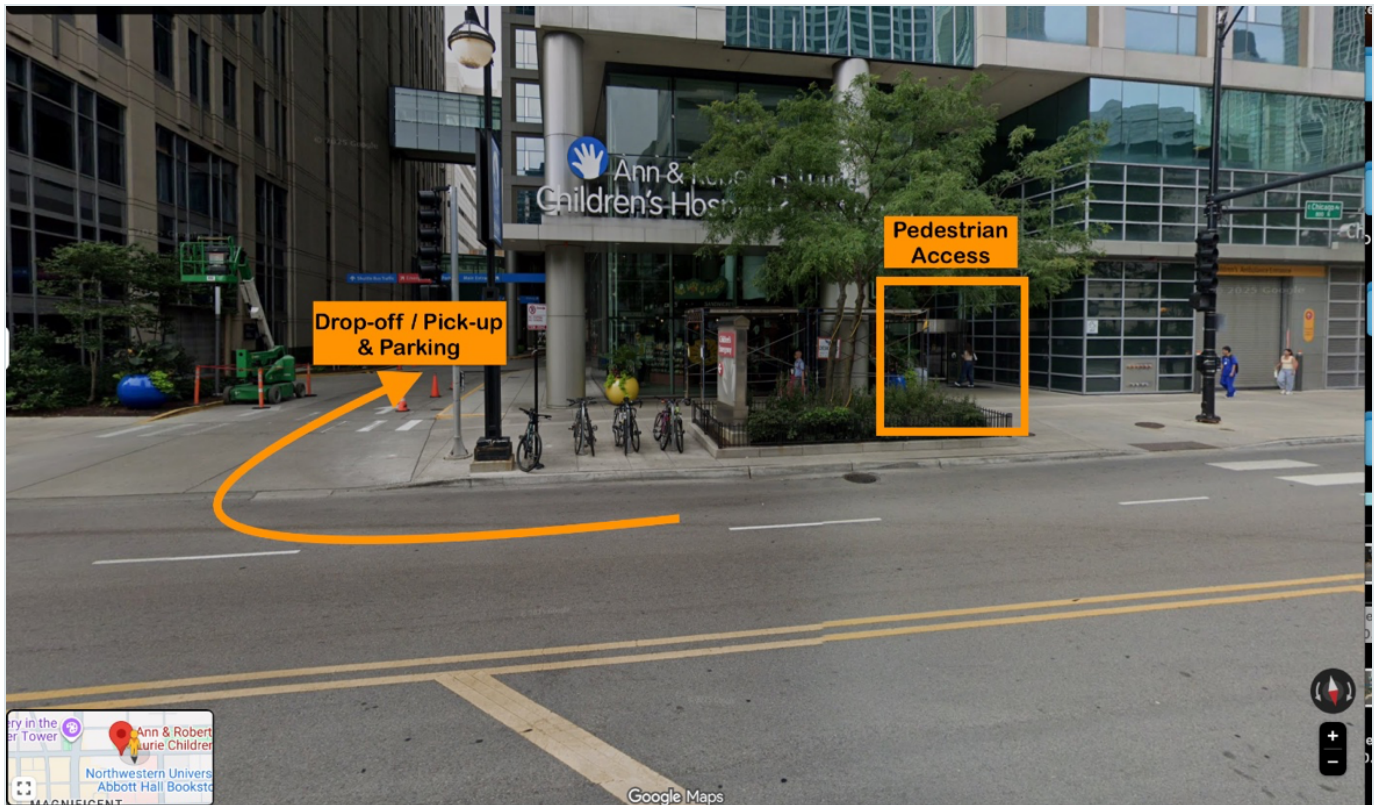

- Please keep your table set up until 4:30 PM on Sunday, August 16.
- If you need to break down earlier, let the volunteer in charge of exhibitors know so we can assign you a time that does not disrupt the sessions.
- **No packing, moving, or carrying items in or around the space while sessions are in progress.** We will find a time that works for you.

What we ask of exhibitors.

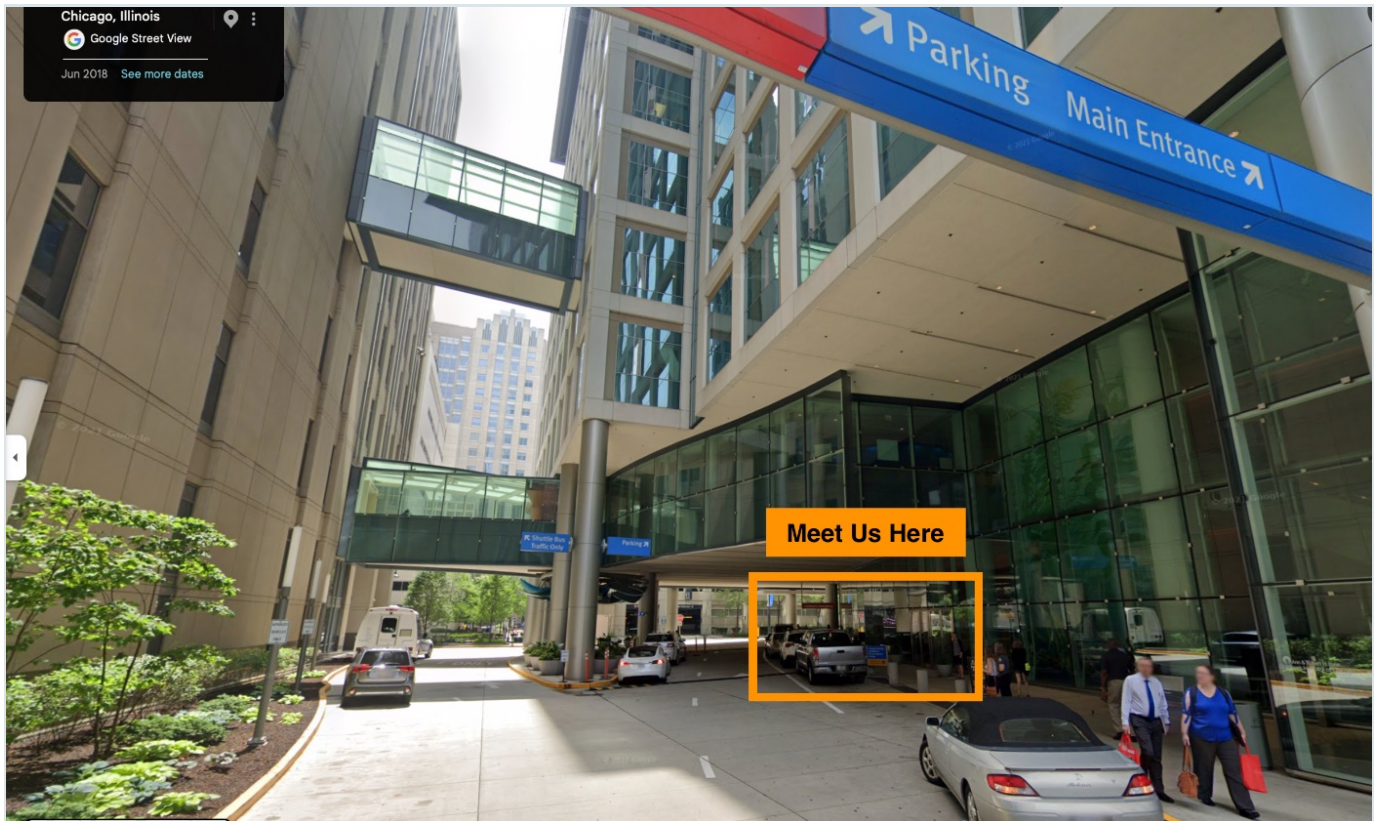

- No recording of sessions.
- No photography outside the designated conference area.
- Nothing may be attached to walls or windows.
- No fire hazards or hazardous materials of any kind, including candles and helium tanks.
- You may leave discarded items beneath your table (no food or perishables) and our team will dispose of them for you.

Getting to the venue.

- **On foot.** Pedestrian access is on East Chicago Avenue. A short walk from the CTA Red Line and Michigan Avenue.
- **Dropping off materials.** Use the drop-off and pick-up area around the corner from the main entrance. A member of our team will meet you there to help you unload.
- **Parking.** Several Streeterville garages are within two blocks. Exhibitors arrange their own parking.

On East Chicago Avenue. Pedestrian access is on the right. For vehicles, turn the corner into the drop-off, pick-up and parking entrance.

Meet us here. Under the canopy in the drop-off and pick-up drive. Text Adriana when you are close and someone will come down to meet you.

However you arrive, please text Adriana in advance so we can coordinate a smooth arrival, and tell her if you need a hand carrying things.

When the room is busiest.
